EXPERIENCE

October 2019 – Present

Long Term Substitute Teacher | J. A. DePaolo Middle School | Southington, CT

I joined DePaolo Middle School as a long term sub in Tech Ed. for 6th, 7th, and 8th grades. I had to quickly get up to speed with the curriculum and lessons, teaching six classes each day in Architecture, Advertising, and Animation. I am also participating in additional duties. It's been great to share my industry experience with the students and have received positive feedback from them.

October 2014 – October 2019

Multimedia Specialist | Zebra Technologies | Holtsville, NY

I worked within our training department in media creation and instructional design. I recorded voice over for online courses, created and edited video training, as well as motion graphics. I also developed, launched, and maintained a podcast program to supplement training for our sales audience. I was the audio resource for multiple groups and taught topics on storytelling and audio for colleagues.

August 2016 – December 2016

Teacher | Saint Mary's International School | Tokyo, Japan

I was brought in as an emergency replacement to teach Multimedia and Computer Science classes. I quickly built a syllabus to engage students in each subject and revised as each class progressed through the semester. I taught 3D, audio production, video production, digital drawing, storytelling, computer basics, HTML, CSS, and an introduction to Python. I received positive feedback from the students and administration.

August 2015 – June 2016

Teaching Assistant | Pasir Ridge Intercultural School | Balikpapan, East Kalimantan

I assisted the art teacher weekly by teaching middle school students how to use digital art programs. I also created a 6-week coding course where students built their own website.

May 2008 – August 2015

Instructor | Northeastern University | Boston, MA

I taught several courses: Time Based Design, Animation Basics, Interactive Information Design, Foundations of Digital Storytelling, and I also advised on Thesis Projects. I have taught on the ground and hybrid classes, receiving positive student reviews.

May 2008 – May 2014

Account Manager, Senior Account Manager, Technical Implementation Manager

ShapeUp | Providence, RI

I was hired as the first account manager of ShapeUp to manage the client experience with our software. I was promoted to the Senior Account Manager role with increased responsibility launching more complex programs. My last role was Technical Implementation Manager role overseeing implementation of our software and managing large data sets for a client base that included Fortune 50 companies.

June 2004 – April 2008

Principal, Senior Content Development | isquared, inc. | Providence, RI

I started a marketing and multimedia company with college classmates. I dealt directly with clients from contract to deliverable and learned how to deliver great service with a great product. We created websites, print design, and other visual content; I was responsible for a majority of the content creation.

EDUCATION

2019 – 2020 | Alternative Route to Certification (ARC) | Hartford, CT

Connecticut Teaching Permit to be given upon completion of program

I was accepted into the ARC program for the Tech Ed. K-12 Certification cohort in September 2019. I am managing a fast-paced course load while preparing for observation and certification testing.

1999 – 2004 | Northeastern University | Boston, MA

BS: Dual major in Multimedia & Graphic Design with a minor in Animation

I was one of only a few students to dual major with an animation minor. I volunteered as art director of the NU literary magazine and participated in track for 2 years as a walk-on, specializing in the hammer throw. I maintained a 3.4 GPA.

1995 – 1999 | Xavier High School | Middletown, CT

High School Diploma

I took part in indoor and outdoor track, as well as Art Club and National Honor Society. I held leadership positions as part of Peer Ministry and French National Honor Society, while maintaining a 3.5 GPA.
